

Anew: Building Beyond Violence and Abuse

Job Posting

Title: Safe From the Start (SFS) Project Coordinator	Department: Counseling Program
Type: Full -Time	Reports To: Counseling Program Manager
Classification: Non-exempt	Supervises: N/A

Job Summary:

The Safe From the Start (SFS) Project Coordinator is a member of Anew: Building Beyond Violence and Abuse's (Anew) Counseling Program. The coordinator will individually assess and counsel children from birth through age 17 who have experienced or witnessed domestic violence to provide age-appropriate services. The coordinator provides domestic violence education, addresses emotional intelligence, and supports healthy family dynamics. Responsibilities focus on developing and implementing individualized treatment plans for each child on their caseload to ensure that established goals are adequately met. Collaboration with the parent/guardian and family counseling is provided as needed. The coordinator has the responsibility of overseeing the SFS Project at Anew and providing specialized services to children birth to age 5, and their families, who have been exposed to any type of violence/trauma. Responsibilities for the grant include assisting with grant writing and quarterly reports, corresponding with the funder, and with maintaining statistics in the SFS database.

Our ideal candidate is friendly, positive and a team player. This individual must be a master's level clinician and have clinical experience working with children. A good understanding of domestic violence dynamics is imperative to appropriately work with their caseload. The individual in this position must demonstrate knowledge about trauma-informed care and provide empathetic, and supportive services to families impacted by domestic violence. They must display flexibility and the ability to multi-task to manage the range of duties associated with this project. The preferred candidate is self-motivated, detail oriented and able to demonstrate computer skills and excellent verbal and written communication skills. The individual in this position will be required to take the initiative and work independently, yet communicate well, coordinate services and work as a team when needed. Schedule flexibility is important and strong time management and organizational skills are necessary. The candidate should also be able to think critically and creatively and be able to adapt clinical approaches to the needs of each individual client in the program.
