## Summer Updates at Anew

---

This July, make sure to get your party hats on, and celebrate.

Thank you for your support of our mission throughout the years. We would not exist without the vision our founding members of the National Council of Jewish Women/South Cook Section and the countless others, who saw the need for services for domestic violence survivors and their families. We are grateful for the many board members, past and present, who ensure the continuity of this organization. We appreciate the dedicated staff, donors, and volunteers who see the importance of our mission. It is truly a team effort.

Here's to 44 years and many more years of healthy relationships, education, and empowerment!
